

0. Note: To have a MyLabsPlus account you must have registered for your current section within the last 24 hours.

To gain access to MyLabsPlus for your Math course(s), visit Iowa State's portal page at:

1. Enter website. → www.iastate.mylabsplus.com

Example: jdoe@iastate.edu -> jdoe

Enter your Net ID (everything before the @ in your iastate email address) as your username. Enter the last four of your Student ID number as your password.

Example: 123456789 -> 6789

The image shows the login page of Pearson MyLabsPlus. It features a 'Sign in' section with fields for 'Username' and 'Password', and a 'Sign in' button. A green box highlights the 'Need additional help signing in?' link. A red box points to the 'Sign in' button. A green box points to the 'Click for MyLabsPlus technical support.' link. A red box points to the '3. Enter last 4 digits of SID.' instruction. The page also includes a 'Welcome to Pearson MyLabsPlus' message and a 'MyLabPlus Information' sidebar.

2. Enter NetID.

3. Enter last 4 digits of SID.

Click for MyLabsPlus technical support.

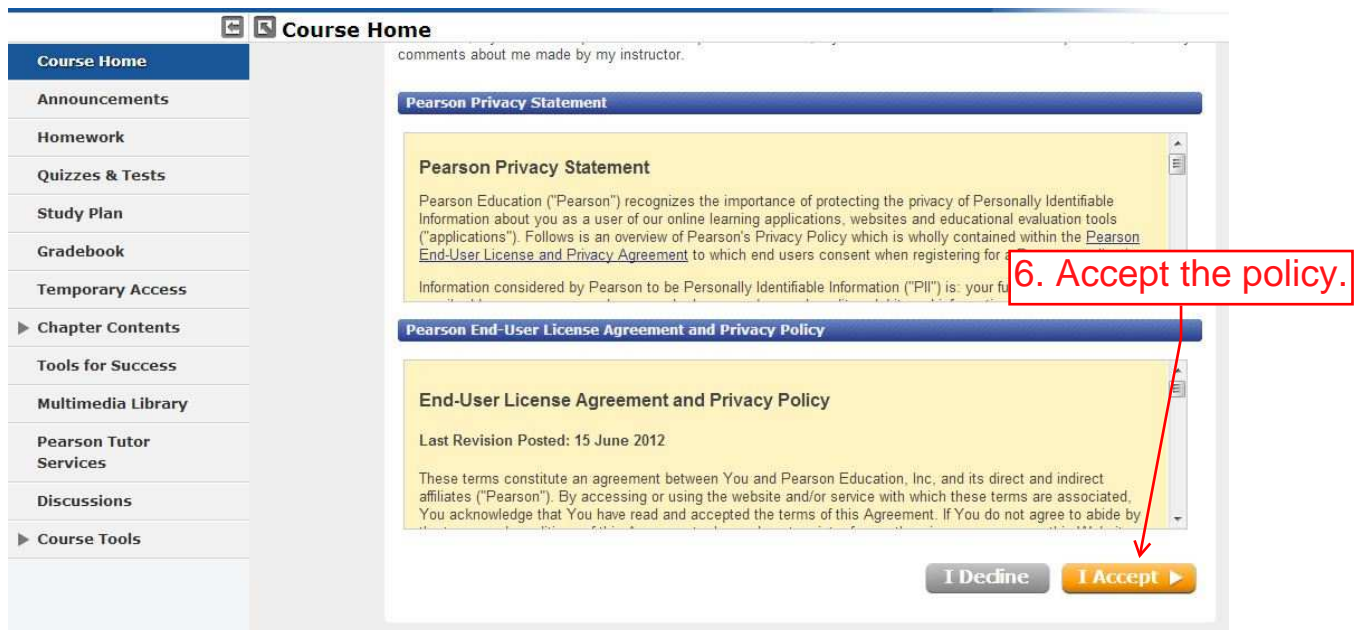

Next, click on the link that is shown for your course under the appropriate term:

The image shows the course selection page of Pearson MyLabsPlus. It features a 'Course List' section with a table of courses. A red box points to the 'Math' link in the table. A red box points to the '4. Click to change initial password.' instruction. A red box points to the '5. Click your course.' instruction. The page also includes a 'Welcome' message and a 'My Profile | Help | Signoff' link.

4. Click to change initial password.

5. Click your course.

Next, accept the Privacy Statement and License Agreement:

The screenshot shows the 'Course Home' interface. On the left is a navigation menu with items like 'Course Home', 'Announcements', 'Homework', 'Quizzes & Tests', 'Study Plan', 'Gradebook', 'Temporary Access', 'Chapter Contents', 'Tools for Success', 'Multimedia Library', 'Pearson Tutor Services', 'Discussions', and 'Course Tools'. The main content area displays two sections: 'Pearson Privacy Statement' and 'Pearson End-User License Agreement and Privacy Policy'. The 'Pearson Privacy Statement' section includes text about protecting personally identifiable information. The 'Pearson End-User License Agreement and Privacy Policy' section includes the text 'Last Revision Posted: 15 June 2012' and a paragraph of terms. At the bottom right of the agreement section, there are two buttons: 'I Decline' and 'I Accept'. A red arrow points from a red box containing the text '6. Accept the policy.' to the 'I Accept' button.

Enter your MyLabsPlus Access code or purchase access by clicking “Buy Now”:

The screenshot shows the 'Steps to Register' page. At the top, there's a progress bar with 'Product Selection' (selected) and 'Confirmation & Summary'. Below this is the 'Product Selection' section. It has a sub-header 'Enrollment Options' and a note 'You can access your course using an access code, or you can buy online.' There are two radio buttons: 'Access Code' (selected) and 'Buy Now'. Under 'Access Code', there's a field labeled '* Enter Your Access Code' with a placeholder example 'SIMPLE-FRILL-TONLE-WEIRS-CHOIR-FLEES'. Below this field is a link 'Switch to a single box for pasting your access code'. At the bottom right, there are 'Cancel' and 'Next' buttons. A red arrow points from a red box containing the text '7. Enter/buy Access code.' to the 'Access Code' radio button.

You have approximately 4 weeks of "temporary access" since start of the semester if you don't have a code now.

The final step is to receive your Confirmation & summary for your account. Click on the orange “Return to Course” button. This is the only time you will see this. The next time you login, you will be at the Course Home page with full access to your course.
